

Notice Regarding Aliso Canyon High Inventory shut-in Maintenance and
Aliso Canyon Withdrawal Protocol

The Aliso canyon storage field will be undergoing High Inventory shut-in Maintenance, which is currently scheduled to begin 7/22/20 and end 8/6/20. Injection and withdrawal capacity will be unavailable throughout this period; therefore, withdrawals pursuant to the July 23, 2019 Aliso Canyon Withdrawal Protocol will be unavailable until this maintenance event is complete. Please continue to monitor ENVOY for any updates to this maintenance event.
